They are authorized to sell the lot on the

MR. O. A. HAWKINS STILL RUNNING

Has Not Given Up the Hope of Succeeding Mr. H. L. Carter in Board. Although the majority of the Clay-Ward delegation in the City Council have declared themselves in favor of electing Mr. Robert Whittet to the place in the Board of Aldermen made vacant by the retirement of Mr. Henry L. Carter, the friends of other aspirants have not re-laxed their efforts. Mr. O. A. Hawkins, who was a member of the old Council, and who ran unsuccessfully for the office of Commissioner of Revenue, is anxious to get back in the Council. Mr. Carter, it will be remembered, was Mr. Hawkins's running mate in the last election, and had the latter been elected the former would have held a prominent position in his office. Mr. Hawkins lives in the Third Precinct, which is now unrepresented, and this fact is being used as an argument in his favor. His supporters point out the fact that the Clay-Ward Actives' new constitution provides that all precincts shall be represented.

Crowds Enjoy the Fun.

Billy Van is telling to the large crowds at the Broad-Street Park pavilion this week his personal observations of the war, and as he describes the many inci-dents of the strife it is certainly a big farce comedy full of ridiculous situations. He has also a Dewey parody that is a rhyme of wit, sung to the music of "Pack Your Trunk and Go." Flatow and Dunn are winners, and their act can stand alone as a drawing card, and Misses McIntyre and Peak are attracting a large share of the audiences with their clever singing and banjo playing. Their act has made a distinct success. Harry Taft, with his musical whistling, and the comedy knockabouts. Gallagher and Evans, are on the

REPORT OF PUBLIC CHARITIES. Resume of the Work Done Among

the Poor Last Year. The annual report of the Superintend-

ent of Public Charities has just been issued in pamphlet form. It contains, among other interesting statements, the reports of the President of the Board of Health and the Superintendent or the Almshouse for the year 1897. In his re-port, Dr. Oppenheimer says: "From a lack of adequate appropriation the work of the department was very much ham-pered. This justly called forth numerous complaints from our citizens of the un-clean condition of the city. Fortunately, we have escaped the outbreak of any epidemic. Our rate of mortality has steadily decreased, even under unfavor-

able conditions." The number of marriages in the city for 1897 was 757—white, 448; colored, 309. Total number of deaths for 1897 was 1.513-white, 760; colored, 813-a decrease of

Actives' new constitution provides that tality of the whole population was 14.61 in making nominations for the Council per 1,000. The annual rate of the white population was 12.40 per 1,000. The annual rate of the colored population was 17.25 per 1,000. Calculations based on 103,560, whole population-56,440 white populationlation and 47,120 colored population.

The number of deaths of foreigners is as follows: England, 14; in 1896, 6. France, 1: in 1896, 1. Germany, 35; in 1896, 23. Ireland, 26; in 1896, 41. Italy, 6; in 1896, 2. Prussia, 3; in 1896, 1. Scotland, 3; in 1896, 1. Un-

known, 9; in 1896, 8. Total number of still-born was 191-63 white and 128 colored-a decrease of 1 white and 10 colored on last year. RECORD OF THE ALMSHOUSE.

Superintendent Davis, of the almshouse, At the commencement of the year, January 1, 1897, there were 258 inmates admitted, 368-making a total of 1,166 who received the benefit of this institution. Of this number 46 were born in the institution, 790 were discharged, 141 died, and 234 remaining December 31, 1897. the 46 infants born in the institution 13 were white and 33 were colored.
